City of Laguna Woods
Agenda Report

TO: Honorable Mayor and City Councilmembers
FROM: Christopher Macon, City Manager
FOR: December 21, 2022 Regular Meeting
SUBJECT: Consent Calendar Summary

Recommendation

Approve all proposed actions on the December 21, 2022 Consent Calendar by single motion and City Council action.

Background

All items listed on the Consent Calendar are considered routine and will be enacted by one vote. There will be no separate discussion of these items unless a member of the City Council, staff, or the public requests that specific items be removed from the Consent Calendar for separate discussion and consideration of action.

Summary

The December 21, 2022 Consent Calendar contains the following items:

6.1 Approval of the City Council meeting minutes for the regular meeting on October 19, 2022.

6.2 Approval of a motion to receive and file the City Treasurer’s Report for the month of November 2022.

6.3 Approval of the warrant register dated December 21, 2022 in the amount of $884,033.01. A list of warrants is included in the agenda packet; detailed information about individual warrants is available at or from City Hall.
6.4 Adoption of a resolution allowing for the continued use of teleconferencing for meetings during the COVID-19 State of Emergency, pursuant to California Assembly Bill 361 (2021-2022). The proposed resolution includes the findings required by California Government Code Section 54953(e)(3) for meetings to continue to be held via teleconferencing.

6.5 [1] Adoption of a resolution amending and adopting the Fiscal Years 2021-23 Budget and Work Plan for Fiscal Year 2021-22 commencing July 1, 2021 and ending June 30, 2022, and Fiscal Year 2022-23 commencing July 1, 2022 and ending June 30, 2023, related to allocation of existing Federal Grants Fund (American Rescue Plan Act (Coronavirus Local Fiscal Recovery Funds)) appropriations to the City Hall/Public Library Project. The proposed resolution would increase the budget for the City Hall/Public Library Project by $178,557 using American Rescue Plan Act funds that have already been appropriated but not yet allocated to specific projects. The additional funds would be used to address site drainage issues.

AND

[2] Approval of an increase of the City Manager’s authorization to approve change orders for the contract agreement with iBuild Spectrum, Inc. for the construction of the “City Hall/Public Library Project” to 31% of the $2,270,413.01 base amount. The City Council previously authorized the City Manager to approve change orders totaling approximately 21.9% of the base amount for this project. In the course of construction (which is presently underway), unanticipated issues were encountered related to site drainage, as well as opportunities to more efficiently construct improvements related to the City Hall Electric Vehicle Charging Infrastructure Project. Completing that work requires an increase in the City Manager’s change order authorization from approximately 21.9% to 31% of the base amount for this project. No additional appropriations are required; sufficient funds are included in existing budgets to support the additional change orders.

(*) At the time of purchase and until September 2017, CDs were rated or ranked using an IDC Financial Publishing, Inc. (IDC) compiled ranking, and includes a one-number summary rank of quality comprised of 35 key financial ratios. Ranks range from 1 (the lowest) to 300 (the highest) and fall into one of the following six groups per Table 1. Post September 2017, CDs are ranked using the Veribanc Rating System, a two-part color code and star classification system which tests the present standing and future outlook by reviewing an institution's capital strength, asset quality, management ability, earnings sufficiency, liquidity, and sensitivity to market risk. Table 2 below summarizes the Veribanc color rankings. Veribanc star ratings of one to three, with three being best, are used to help review a possible future trend of an institutions health based on metrics from ten prior quarters. A rating of one, two, or three, are not necessarily an indicator of risk or an undesirable investment. The City reviews other rating systems and issuer financials before choosing any investment.

7.1 COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PUBLIC FACILITIES & IMPROVEMENTS PROJECT PROPOSAL
This page is intentionally blank.
TO: Honorable Mayor and City Councilmembers

SUBJECT: Community Development Block Grant (CDBG) Public Facilities & Improvements Project Proposal

Recommendation

1. Receive staff report.

AND

2. Open public hearing.

AND

3. Receive public testimony.

AND

AND

5. Ratify the City Manager’s submittal of a proposal to the County of Orange requesting $150,000 in Community Development Block Grant (CDBG) funds under the Fiscal Year 2023-24 Public Facilities & Improvements grant program (County of Orange RFP No. 012-23010523-NC) to support the “Americans with Disabilities Act (ADA) Pedestrian Accessibility Improvement Project: Phase 7”, which generally consists of driveway and
sidewalk improvements on El Toro Road.

AND

6. Adopt a resolution titled:

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LAGUNA WOODS, CALIFORNIA, RATIFYING THE SUBMITTAL OF A PROPOSAL TO THE COUNTY OF ORANGE FOR COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) FUNDS, PROSPECTIVELY ACCEPTING THE AWARD OF SUCH CDBG FUNDS, MAKING RELATED AUTHORIZATIONS RELATED TO THE FISCAL YEAR 2023-24 PUBLIC FACILITIES & IMPROVEMENTS GRANT PROGRAM (COUNTY OF ORANGE RFP NO. 012-23010523-NC), AND DETERMINING AND CERTIFYING THAT THE SUBMITTAL OF A PROPOSAL AND ACCEPTANCE OF THE AWARD OF FUNDS IS EXEMPT FROM THE CALIFORNIA ENVIRONMENTAL QUALITY ACT

Background

As allowed by federal law, Orange County cities with populations less than 50,000 may choose to compete for Community Development Block Grant (“CDBG”) funds through programs administered by the State of California or the County of Orange. Laguna Woods and the cities of Brea, Cypress, Dana Point, Laguna Beach, Laguna Hills, La Palma, Los Alamitos, Seal Beach, Stanton, and Villa Park compete for CDBG funds through the Orange County Urban County CDBG Program administered by the County of Orange.

Under the Orange County Urban County CDBG Program, the County of Orange accepts proposals for public facilities and improvements grants, annually. A public hearing is required as part of the proposal process.

The City is able to submit one public facilities and improvements proposal per year. Projects must address one or more of the County of Orange’s high priorities: senior centers, homeless facilities, neighborhood facilities, water/sewer improvements, street improvements, sidewalk improvements, and urgent need.

All proposals must be submitted for public facilities. Previously, the City of Seal
Beach submitted a proposal for street, sidewalk, and solar improvements located within Leisure World Seal Beach. United States Department of Housing and Urban Development ("HUD") staff ultimately determined that the proposal was ineligible as the work would have occurred within a gated community.

Recent CDBG funding awards for the City have included:

- Fiscal Year 2017-18: “Americans with Disabilities Act (ADA) Pedestrian Accessibility Improvement Project: Phase 1” – $145,700
- Fiscal Year 2020-21: “Americans with Disabilities Act (ADA) Pedestrian Accessibility Improvement Project: Phase 4” – $150,000
- Fiscal Year 2021-22: “Americans with Disabilities Act (ADA) Pedestrian Accessibility Improvement Project: Phase 5” – $150,000 [subsequent to the award, an additional $200,000 was awarded for a total of $350,000; as with all previous ADA Project awards, no match by City funds was required]
- Fiscal Year 2022-23: “Americans with Disabilities Act (ADA) Pedestrian Accessibility Improvement Project: Phase 6” – $150,000 [subsequent to the award, an additional $200,000 was awarded for a total of $350,000; as with all previous ADA Project awards, no match by City funds was required]

TOTAL FUNDING AWARDED TO THE CITY SINCE THE BEGINNING OF THE ANNUAL ADA PROJECT: $1,287,100

Discussion

At today’s meeting, the City Council will conduct a public hearing regarding CDBG funding, as such funding is authorized under Title 1 of the Housing and Community Development Act of 1974, as amended. During the public hearing, residents and members of the public are encouraged to provide input on community needs and project priorities related to public facilities and improvements, including on the City’s potential projects and the City’s submittal of a proposal for CDBG funding to the County of Orange for consideration as part of the Orange County Urban County CDBG Program. Following the public hearing, the City Council will consider taking action regarding the submittal of such proposal.

Staff’s recommendation is that the City Council ratify the City Manager’s submittal
of a proposal requesting $150,000 in CDBG funds to support the “Americans with Disabilities Act (ADA) Pedestrian Accessibility Improvement Project: Phase 7” (“Project”). The Project generally consists of driveway and sidewalk improvements on El Toro Road, including reconstruction of the driveways at Westbound El Toro Road/Geneva Presbyterian Church and Eastbound El Toro Road/East of Tanager.

The Project is included in the Fiscal Years 2021-2032 Capital Improvement Program as a planned project for Fiscal Year 2023-24, contingent on the receipt of external funding. The Capital Improvement Program anticipates that the City will apply for CDBG funding for the Project.

The County of Orange anticipates awarding funding in spring 2023 with grant terms beginning and ending in Fiscal Year 2023-24.

**Environmental Review**

The City Council will be asked to find that this project has no possibility of having a significant effect on the environment. The proposed action relates only to the submittal of a funding proposal and prospective acceptance of the award of funds. The proposed action would not authorize any construction nor physical change or improvement. The environmental review of potential future projects, were funding to be received, would occur during those project design and development processes. Therefore, the proposed submittal of a funding proposal and prospective acceptance of the award of funds is not a project subject to the California Environmental Quality Act (“CEQA”) pursuant to sections 15378(b)(4) and 15061(b)(3) of Title 14 of the California Code of Regulations.

**Fiscal Impact**

Funds received under the Orange County Urban County CDBG Program in amounts of $150,000 or less per fiscal year are not required to be matched by City funds. Sufficient funds to accommodate staff time necessary to apply for and administer the grant funds once received are included in the City’s existing budget. No new General Fund appropriations would be required.

Grant funds would be received on a reimbursement basis, meaning that the City would be required to make expenditures in advance of receiving offsetting revenue from the County of Orange. Sufficient funds are available within the unassigned General Fund balance for such temporary “loans,” which are explicitly permitted by
Administrative Policy 2.9 (Budgeting, Reserves, and Reporting).

PROCUREMENT OF RECOVERED ORGANIC WASTE PRODUCTS
This page is intentionally blank.
City of Laguna Woods
Agenda Report

TO: Honorable Mayor and City Councilmembers

FROM: Christopher Macon, City Manager

FOR: December 21, 2022 Regular Meeting

SUBJECT: Procurement of Recovered Organic Waste Products

Recommendation

Approve an agreement with the Golden Rain Foundation of Laguna Woods for procurement of mulch in connection with California Senate Bill 1383 and authorize the Mayor to execute the agreement, subject to approval as to form by the City Attorney.

Background

California Senate Bill 1383 (Lara, Chapter 395, Statutes of 2016) and the Senate Bill 1383 regulations adopted by the California Department of Resources Recycling and Recovery (“CalRecycle”) require local governments to annually procure a quantity of recovered organic waste products that meets or exceeds a procurement target calculated by multiplying each local population as of January 1, 2021 (and every five years thereafter) by 0.08 tons of organic waste.

For the five-year period beginning January 1, 2022 and ending December 31, 2026, CalRecycle has calculated the City’s recovered organic waste product procurement target as 1,283 tons, based on a population estimate of 16,036.

With recent population estimates from the U.S. Census Bureau and California Department of Finance higher than CalRecycle’s January 1, 2021 assumption, it is anticipated that the City’s recovered organic waste product procurement target will increase for the next five-year period (January 1, 2027 through December 31, 2031). A hypothetical population estimate of 18,000 would result in a requirement
for the City to procure an additional 157 tons annually.

For the purpose of Senate Bill 1383, “recovered organic waste products” generally include compost, renewable gas, electricity from biomass conversion, and mulch, when made from California, landfill-diverted recovered organic waste processed at a permitted or otherwise authorized operation or facility.

Local governments may procure recovered organic waste products directly (e.g., for use by the local government or as a giveaway to other parties) and/or by way of contract service providers (e.g., as a contractual requirement).

Through the solid waste handling services agreement with CR&R Incorporated, the City presently procures an estimated 329 tons (6,912.5 diesel gallon equivalent) of renewable gas annually\(^1\), resulting in an estimated procurement shortfall of 954 tons annually (1,283-ton recovered organic waste product procurement target less 329 tons of renewable gas).

California Assembly Bill 1985 (Rivas, Chapter 344, Statutes of 2022) was signed into law on September 16, 2022 and provides local governments with flexibility to phase in procurement efforts. Administrative civil penalties that would otherwise apply are waived for local governments that meet or exceed 30% of their recovered organic waste product procurement targets by December 31, 2023 and 65% by December 31, 2024. 100% compliance is required by January 1, 2025.

\(^1\) In anticipation of Senate Bill 1383’s procurement requirements, staff pursued opportunities to require contract service providers to procure recovered organic waste products on the City’s behalf.

The solid waste handling services agreement that was entered into with CR&R Incorporated effective January 1, 2022 includes a requirement for collection vehicles to be fueled by renewable gas or for an equivalent amount of renewable gas or other Senate Bill 1383-compliant fuel to be annually procured on the City’s behalf. The term of the solid waste handling services agreement runs through June 30, 2032 with the potential for an extension through June 30, 2037.

In April 2021, staff solicited competitive proposals for street sweeping services with a stated preference for proposals that included street sweepers fueled by renewable gas. No such proposals were received.

Staff is currently in discussions with BrightView Landscape Services regarding transitioning the mulch used in City-maintained landscaping (e.g., medians and parks) to Senate Bill 1383-compliant mulch. The term of the City’s agreement with BrightView Landscape Services runs through June 30, 2023.

Staff plans to continue encouraging the use of renewable gas and other recovered organic waste products in future competitive procurement processes, with a goal of increasing and diversifying procurement of the same in anticipation of future, increased procurement targets.
Discussion

Today’s meeting is an opportunity for City Council action, as well as public input, on a proposed agreement with the Golden Rain Foundation of Laguna Woods for procurement of mulch in connection with Senate Bill 1383. Staff recommends that the City Council approve the agreement to further compliance with Senate Bill 1383. While Assembly Bill 1985 allows for a more extended phase-in, the proposed agreement is anticipated to result in full compliance with the City’s recovered organic waste procurement target for the current five-year period with an option to continue the agreement for the next five-year period, thereby helping to address procurement requirements through December 31, 2031.

As proposed, the City would purchase 1,000 tons of mulch produced by the Golden Rain Foundation for each of the 2023 through 2026 calendar years at a price of $9.90 per ton ($9,900 annually; $39,600 over four years). The mulch would be donated back to the Golden Rain Foundation for use within Laguna Woods Village without the City ever taking possession of it. This approach of effectively providing financial assistance for the operation of the Golden Rain Foundation’s existing mulch production effort constitutes procurement under Senate Bill 1383.

For the 2027 through 2031 calendar years, the proposed agreement includes a right of first refusal for the City to purchase up to 1,100 tons of mulch under similar terms and conditions, although likely at a higher price representing the Golden Rain Foundation’s then-current mulch production costs.

The Golden Rain Foundation’s Board of Directors has reviewed and approved the proposed agreement.

In evaluating options to comply with Senate Bill 1383’s procurement requirements,

---

2 Staff has intentionally proposed an annual procurement strategy that is estimated to result in procurement approximately 3.5% greater than the City’s recovered organic waste product procurement target in order to accommodate potential fluctuations in the quantity of renewable gas used by CR&R Incorporated.
staff contended with city-specific constraints including (i) a lack of City-maintained landscape areas where mulch can be applied in the quantity required, as compared to other cities with more expansive public property; and (ii) a lesser ability to give away large quantities of mulch to residents, as compared to other cities, due to comparatively fewer private yards and most landscape areas being maintained by homeowners’ associations that benefit from the Golden Rain Foundation’s existing mulch production effort. Ultimately, staff identified the approach set forth in the proposed agreement as a cost-effective way of complying with Senate Bill 1383’s procurement requirements while reinvesting City monies in Laguna Woods. Alternate approaches would involve the purchase of mulch or other recovered organic waste products from outside Laguna Woods.

**Fiscal Impact**

The proposed agreement would result in new costs as follows:

Funding for the new mulch procurement costs would be addressed as part of the Fiscal Years 2023-25 and 2025-27 budget development processes.

The proposed agreement includes an option for the City to purchase mulch for the 2027 through 2031 calendar years. The Golden Rain Foundation would calculate its mulch price for those years no later than March 31, 2026 with the City required to notify the Golden Rain Foundation of its intent to purchase no later than July 31, 2026. The City’s consideration of those costs would occur in 2026 and, if mulch continues to be purchased, funding would likely be addressed as part of the Fiscal Years 2027-29 and 2029-31 budget development processes.

Attachment: A – Proposed Agreement
AGREEMENT BETWEEN THE 
CITY OF LAGUNA WOODS 
AND THE 
GOLDEN RAIN FOUNDATION OF LAGUNA WOODS 
FOR PROCUREMENT OF MULCH IN CONNECTION 
WITH CALIFORNIA SENATE BILL 1383 

This agreement (the “Agreement”) is made and entered into as of ____ day of __________, 2022 (the "Effective Date"), between the City of Laguna Woods (“City”) and the Golden Rain Foundation of Laguna Woods (“GRF”).

RECITALS

A. In 2016, California Senate Bill 1383 was chaptered into law. California Senate Bill 1383 aims to reduce methane, hydrofluorocarbon gas, and anthropogenic black carbon emissions in a statewide effort to combat climate change and improve public health. Central to the reduction of landfill disposal-related methane emissions are targets to reduce organic waste disposal by 75% and recover 20% of edible food waste by 2025.

B. California Senate Bill 1383 authorized the California Department of Resources Recycling and Recovery (“CalRecycle”) to adopt implementing regulations, which are now codified in 14 California Code of Regulations (“CCR”), Division 7, Chapter 12 (California Senate Bill 1383 and its implementing regulations are referred to herein collectively as “SB 1383”).

C. Amongst other things, SB 1383 imposes an obligation upon all cities and counties to procure recovered organic waste products based on certain procurement targets, and to comply with related requirements set forth in state law, including 14 CCR, Div. 7, Ch. 12, Article 12, commencing with § 18993.1.

D. GRF owns and operates a facility (“GRF Facility”) that produces mulch which meets the definition of “mulch” and qualifies as a recovered organic waste product as set forth in SB 1383, and specifically the definition set forth in 14 CCR § 18993.1(f)(4).

E. City is authorized to meet its SB 1383 procurement obligations by purchasing recovered organic waste products, such as mulch produced at the GRF Facility, and then either using it or giving it away.

F. Mulch produced at the GRF Facility is used in landscaping within the residential community of Laguna Woods Village, Laguna Woods, California.

G. The parties agree, by entering into this Agreement, that City will purchase mulch from GRF, and thereafter donate it back to GRF at no cost for use in landscaping within the residential community of Laguna Woods Village, Laguna Woods, California, unless otherwise authorized, based on prices and other terms as more fully set forth herein.

H. The parties find, in approving this Agreement, that City’s purchase of mulch as contemplated herein (a) provides a benefit to City by assisting with City’s procurement obligations under SB 1383; (b) provides a benefit to GRF (and, by extension, the members of Laguna Woods Village who pay assessments to GRF) by financially assisting with operation of the GRF Facility;
ITEM 8.1 – Attachment A

and (c) provides environmental benefits by ensuring that mulch produced within the City’s jurisdiction is used locally, with common benefits of such use including enhanced soil quality.

AGREEMENT

In consideration of the foregoing Recitals, which are incorporated herein by this reference, and the covenants and promises hereinafter contained, and for good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, the parties hereto agree as follows:

1. **Purchase of Mulch.** City agrees to purchase 1,000 tons per year of mulch from GRF in each of the following calendar years: 2023, 2024, 2025, and 2026.

2. **Purchase Price; Price Formula.** City shall pay a price of $9.90 per ton for each ton of mulch it purchases from GRF between the Effective Date and December 31, 2026, with the payment due to GRF in the amount of $9,900 no later than August 31 annually. This price was established using the price of $3.17 per cubic yard, which reflects GRF’s cost to produce mulch at the GRF Facility as of the Effective Date, taking into account the hourly rate it pays persons who operate the GRF Facility, the time they spend, and fuel (the “Price Formula.”).

3. **Donation of Mulch to GRF.** City will never take possession of the mulch it purchases hereunder, and rather shall donate it to GRF at no cost. GRF agrees to accept the donation of mulch from City, and to use all mulch purchased by City and subsequently donated to it, within the residential community of Laguna Woods Village, Laguna Woods, California, by applying to landscaping, or for other purposes that meet the requirements of 14 CCR § 18993.1 and § 18993.2. GRF may request the ability to use mulch donated to it by City in locations other than within the residential community of Laguna Woods Village, Laguna Woods, California, or to donate the mulch to other persons or entities at no cost, but shall not do so without City’s written permission, which shall only be granted if accompanied by reasonable assurances the mulch will be used in a manner that enables City to comply with its procurement obligations under SB 1383. Under no circumstances may GRF sell mulch donated to it by City to any person or entity.

4. **Usage Records.** GRF shall keep records of how the mulch donated to it by City is used and where the mulch was applied if applied outside of the residential community of Laguna Woods Village, Laguna Woods, California (when mulch is only used within the residential community of Laguna Woods Village, Laguna Woods, California, GRF shall provide a signed letter attesting to the same with a general description of the manner in which it was used, e.g., landscaping within common areas, etc.), and provide such records to City at such times as may be reasonably requested by City in connection with its efforts to comply with reporting requirements of SB 1383, but no less than annually, on or before December 31 of each year.

5. **Right of First Refusal.** Between January 1, 2027 and December 31, 2031, City shall have a right of first refusal to purchase up to the first 1,100 tons of mulch GRF produces at the GRF Facility, at a price to be established on January 1 of each applicable year using the Price Formula as of January 1, 2026, and subject to the same terms and conditions set forth herein (including that City will never take possession of the mulch it purchases, and rather shall donate it to GRF at no cost). GRF shall notify City of the price no later than March 31, 2026 and City shall notify GRF of its intent with regard to the right of first refusal no later than July 31, 2026.

6. **Mulch Quality.** City shall only be obligated to purchase mulch hereunder from GRF if it meets the definition of “mulch” as set forth in 14 CCR § 18993.1(f)(4); and, GRF
warrants and guarantees that all mulch sold to City will meet such definition including, without
limitation, meeting or exceeding the physical contamination, maximum metal concentration, and
pathogen density standards for land application specified in Section 17852(a)(24.5)(A)1, through 3,
of 14 CCR Division 7. GRF shall provide a signed letter to City warranting and guaranteeing
that the mulch to be purchased by the City meets such definition no later than May 1 annually.

7. Termination. Either party shall have the right to terminate this Agreement at any
time, with or without cause, in its sole discretion, by giving written notice to the other party. In the
event of termination effective prior to each August 31, City shall not be liable for the payments
described in Section 2 of this Agreement for the then-current and future calendar years, and, if
such payments have already been made, GRF shall refund those payments in-full within 30 days
of the effective date of termination. In the event notice of termination is provided between any
September 1 and December 31, the terminating party, in its sole discretion, shall provide notice to
the other party of whether the termination is: (1) effective at the end of the calendar year, or (2)
effective immediately, in which situation GRF shall refund the City’s payments in-full for the
calendar years affected by the termination within 30 days of the effective date of termination.

8. Force Majeure. Neither party shall be in default under this Agreement in the event
that its inability to perform is a result of: riots, wars, sabotage, civil disturbances, insurrections,
strikes or other labor disturbances, explosion, natural disasters such as floods, earthquakes,
landslides, and fires, or “other catastrophic events” which are beyond their reasonable control.

9. Law to Govern; Venue. The laws of the State of California shall govern this
Agreement. In the event of litigation between the parties, venue in state trial courts shall lie
exclusively in the County of Orange and venue in federal trial courts shall lie exclusively in the
District of California in which City is located.

10. Notices. All notices required or permitted to be given hereunder shall be in writing
and shall be personally delivered or sent by United States certified mail, postage prepaid, return
receipt requested, and addressed as follows:

Attn: City Manager

business offices. If mailed, notice shall be deemed given three (3) business days from the date
such notice is deposited in the United States mail in the manner proscribed above.

11. Savings Clause. If any non-material provision of this Agreement is for any reason
held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not
affect the validity and enforceability of any of the remaining provisions of this Agreement.
12. **Joint Drafting.** This Agreement shall be interpreted as if it were drafted jointly by the parties to this Agreement.

13. **Integrated Agreement.** This Agreement contains the entire integrated agreement and understanding concerning the subject matter herein and supersedes and replaces any prior negotiations, promises, proposals, and agreements between the parties, whether written or oral. The parties acknowledge this document has been executed with the consent and upon the advice of counsel. 15. **Section Headings.** The section headings in this Agreement are for convenience of reference only and are not intended to be used in the construction of this Agreement nor to alter or affect any of its provisions.

16. **Compliance with Law.** In performing its obligations under this Agreement, including operation of the GRF Facility and use of donated mulch, GRF shall at all times comply with all applicable laws, including the laws and regulations of the United States, the State of California, and any federal, state, regional or local administrative and regulatory agencies.

17. **Authority to Execute.** The person or persons executing this Agreement on behalf of the respective parties represents and warrants that he/she/they has/have the authority to so execute this Agreement and to bind the respective parties to its obligations hereunder.

19. **No Third-Party Beneficiaries.** There are no intended third-party beneficiaries of this Agreement, and no such third parties shall have any rights or obligations hereunder.

20. **Waiver.** The failure of City or GRF to insist upon strict performance of any of the terms, conditions, and/or covenants in this Agreement shall not be deemed a waiver of any right or remedy that City or GRF may have, and shall not be deemed a waiver of any right or remedy for a subsequent breach or default of the terms, conditions, and covenants herein contained.

[SIGNATURES ON NEXT PAGE]
IN WITNESS WHEREOF, City and GRF have caused this Agreement to be executed on their behalf by their respective officers or agents herein duly authorized.
