The Honorable Mayor and City Council
City of Laguna Woods
Laguna Woods, California

INDEPENDENT AUDITORS' REPORT

We have audited the accompanying general purpose financial statements of the City of Laguna Woods, California, as of and for the year ended June 30, 2002, as listed in the table of contents. These general purpose financial statements are the responsibility of the management of the City of Laguna Woods, California. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the City of Laguna Woods, California as of June 30, 2002, and the results of its operations for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining, individual funds, and individual account group financial statements and schedules listed in the table of contents as supplemental data are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the City of Laguna Woods, California. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

In accordance with *Government Auditing Standards*, we have also issued our report dated January 17, 2003 on our consideration of the City of Laguna Woods' internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Conrad and Associates, L.L.P.

January 17, 2003

CITY OF LAGUNA WOODS

Notes to Financial Statements

Year Ended June 30, 2002

(1) Summary of Significant Accounting Policies

The financial statements of the City of Laguna Woods, California have been prepared in conformity with Generally Accepted Accounting Principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The following is a summary of the significant policies:

(a) Reporting Entity

The City of Laguna Woods was incorporated March 24, 1999 under the laws of the State of California and enjoys all rights and privileges pertaining to "General Law" cities. The City operates under the Council-Manager form of government and currently provides the following services as authorized by its general laws: public safety, public works, community development, community services and general administrative services.

(b) Fund Accounting

The accounts of the City are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled.

The various funds are grouped in the financial statements in this report, into generic fund types and broad fund categories as follows:

GOVERNMENTAL FUNDS

General Fund

The General Fund is the general operating fund of the City. All general tax revenues and other receipts that are not allocated by law or contractual agreement to some other fund are accounted for in this fund. Expenditures of this fund include the general operating expenses and capital improvement costs which are not paid through other funds.

CITY OF LAGUNA WOODS

Notes to Financial Statements

(Continued)

(1) Summary of Significant Accounting Policies, (Continued)

Special Revenue Funds

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are restricted by law or administrative action for specified purposes.

FIDUCIARY FUND

Agency Fund

The Agency Fund is used to account for assets held by the City in an agency capacity for individuals, private businesses, and other governmental agencies.

ACCOUNT GROUPS

General Fixed Assets Account Group

The General Fixed Assets Account Group is used to account for the cost of fixed assets acquired to perform general government functions.

Assets purchased are recorded as expenditures in the governmental funds and capitalized at cost in the general fixed assets account group. Fixed asset records include estimates of original historical cost as determined by knowledgeable individuals in the City. Contributed fixed assets are recorded in general fixed assets at fair market value at the time received. Fixed assets acquired under a capital lease are recorded at the net present value of future lease payments.

Fixed assets consisting of certain improvements other than buildings, including roads, bridges, curbs and gutters, streets and sidewalks, drainage systems, and lighting systems, have not been capitalized. Such assets normally are immovable and of value only to the City. Therefore, the purpose of stewardship for capital expenditures is satisfied without recording these assets.

No depreciation has been provided on general fixed assets.

General Long-Term Debt Account Group

The General Long-Term Debt Account Group is used to account for all long-term debt of the City.

CITY OF LAGUNA WOODS

Notes to Financial Statements

(Continued)

(1) Summary of Significant Accounting Policies, (Continued)

(c) Measurement Focus and Basis of Accounting

Governmental (general and special revenue) fund types are accounted for on a "spending measurement focus". Accordingly, only current assets and current liabilities are included on their balance sheets. The reported fund balance provides an indication of available, spendable resources. Operating statements for governmental fund types report increases (revenues) and decreases (expenditures) in available spendable resources.

Agency funds are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations.

The modified accrual basis of accounting is followed by the governmental and agency funds. Under the modified accrual basis of accounting, revenues are susceptible to accrual when they become both measurable and available. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures, other than interest on long-term debt, are recorded when a current liability is incurred. Liabilities are considered current when they are normally expected to be liquidated with expendable available financial resources.

Taxes, subventions, taxpayer assessed taxes, entitlements held at year-end by an intermediary collecting government, and reimbursement grant revenues are recognized as revenue under the modified accrual basis of accounting. Revenues from the use of money and property are recorded when earned.

Material delinquent and total uncollected current year property taxes (net of estimated uncollectibles) are recorded as current year receivables. Property taxes (net of estimated uncollectibles) that are levied and measurable in the current year, but not available to finance current period expenditures, are recorded as a receivable and as deferred revenues. The deferred revenues are recognized as revenue in the fiscal year in which they become available.

Licenses, permits, fines, forfeits, charges for services, and miscellaneous revenues are recorded as governmental fund revenues when received in cash because they are generally not measurable until actually received.

CITY OF LAGUNA WOODS

Notes to Financial Statements

(Continued)

(1) Summary of Significant Accounting Policies, (Continued)

(d) Budgetary Policy

The City Manager shall prepare and submit the proposed annual budget to the City Council for its approval for all governmental funds. City Council reviews the proposed budget during two separate public workshops and two separate regular City Council meetings. The budget is legally enacted by means of a budget resolution passed by the City Council. Upon final adoption, the budget shall be in effect for the ensuing fiscal year.

The level of budgetary control (this is, the level at which expenditures cannot legally exceed the appropriated amount) is established at the fund level. City Council approval is required for any budget revisions that affect total appropriations within each fund.

Appropriations lapse at the end of the fiscal year unless they are re-appropriated through the formal budget process. Open encumbrances are recorded as reservations of fund balance since the commitments will be paid by subsequent year's budget appropriations. Encumbrances do not constitute expenditures or liabilities of the City.

Budgeted amounts are as originally adopted, or as amended in accordance with prescribed procedures throughout the fiscal year. The original budget for the General Fund and the Special Revenue Funds increased by \$189,180 and \$245,801 respectively, through amendments approved by the City Council.

(e) Investments

Investments are reported in the accompanying balance sheet at fair value. Changes in fair value that occur during a fiscal year are recognized as *investment income* reported for that fiscal year. *Investment income* includes interest earnings, changes in fair value, and any gains or losses realized upon the liquidation, maturity, or sale of investments.

The City pools cash and investments of all funds. Each fund's share in this pool is displayed in the accompanying financial statements as *cash and investments*. Investment income earned by the pooled investments is allocated to the various funds based on each fund's average cash and investment balance.

(f) Due from Other Governments

The amounts recorded as a receivable due from other governments include sales taxes, gas taxes, Measure M revenue, reimbursement grant revenues and other revenues collected or provided by Federal, State, County and City governments and unremitted to the City as of June 30, 2002. The County of Orange assesses, bills, and collects property taxes for the City.

CITY OF LAGUNA WOODS

Notes to Financial Statements

(Continued)

(1) Summary of Significant Accounting Policies, (Continued)

(g) Compensated Absences

Permanent, full-time City employees earn 10 vacation days a year and 12 sick days a year. The City accounts for compensated absences in accordance with GASB Statement No. 16. In governmental funds, compensated absences are recorded as expenditures in the year paid, and it is the City's policy to liquidate any unpaid vacation or sick leave at June 30 from future resources rather than currently available expendable resources. Accordingly, the entire unpaid liability for the governmental funds is recorded in the general long-term debt account group.

(h) Claims and Judgments

The City records a liability for material litigation, judgments, and claims (including incurred but not reported losses) when it is probable that an asset has been significantly impaired or a material liability has been incurred prior to year end and the probable amount of loss (net of any insurance coverage) can be reasonably estimated.

(i) Property Taxes

Under California law, property taxes are assessed and collected by the counties up to 1% of assessed value, plus other increases approved by the voters. The property taxes go into a pool, and are then allocated to the cities based on complex formulas. Accordingly, the City of Laguna Woods recognizes as revenue only those taxes which are received within 60 days after year end.

The property tax calendar is as follows:

Lien Date:	January 1
Levy Date:	July 1
Due Date:	First Installment – November 1 Second Installment – February 1
Delinquent Date:	First Installment – December 11 Second Installment – April 11

Taxes are collected by the County of Orange and are remitted to the City periodically. Dates and percentages are as follows:

December	30% advance
January	Collection No. 1
April	10% advance
May	Collection No. 2
July	Collection No. 3

CITY OF LAGUNA WOODS

Notes to Financial Statements

(Continued)

(1) Summary of Significant Accounting Policies, (Continued)

(j) Comparative Data

Comparative total data for the prior year have been presented in the accompanying financial statements in order to provide an understanding of changes in the City's financial position and operations. However, comparative (i.e., presentation of prior year totals by fund type) data has not been presented in each of the statements since their inclusion would make the statements unduly complex and difficult to read.

(k) Memorandum Only Totals

Columns on the combined financial statements captioned "Totals (Memorandum Only)" are not necessary for a fair presentation of the financial statements in accordance with generally accepted accounting principles, but are presented as additional analytical data. Interfund balances and transactions have not been eliminated and the columns do not present consolidated financial information.

(2) Cash and Investments

Cash and investments held by the City at June 30, 2002 consisted of the following:

Petty cash	\$ 625
Demand deposits	305,999
State Treasurer's Investment Pool (LAIF)	<u>6,242,090</u>
Total cash and investments held by City	<u>\$6,548,714</u>

The City is generally authorized under Section 53601 of the Government Code and the City's investment policy to invest in: FDIC insured accounts and the Local Agency Investment Fund of the State of California.

Under the California Government Code, a financial institution is required to secure deposits made by state or local governmental units by pledging securities held in the form of an undivided collateral pool. The market value of the pledged securities in the collateral pool must equal at least 110% of the total amount deposited by the public agencies. California law also allows financial institutions to secure City deposits by pledging first trust deed mortgage notes having a value of 150% of the secured public deposits.

CITY OF LAGUNA WOODS

Notes to Financial Statements

(Continued)

(2) Cash and Investments, (Continued)

Deposits of cities and other state or local governments are classified in three categories to give an indication of the level of custodial risk assumed by the entity. Category 1 includes deposits that are insured or collateralized with securities held by the City or its agent in the City's name. Category 2 includes deposits collateralized with securities held by the pledging financial institution's trust department or agent in the City's name. Category 2 also includes deposits collateralized by an interest in an undivided collateral pool held by an authorized Agent of the Depository and subject to certain regulatory requirements under State law. Category 3 includes deposits collateralized with securities held by the pledging financial institution, or by its trust department or agent but not in the City's name. Category 3 also includes any uncollateralized deposits.

Deposits held by the City as of June 30, 2002 are classified in risk categories as follows:

<u>Form of Deposit</u>	<u>Category</u>			<u>Bank Balance</u>	<u>Carrying Amount</u>
	<u>1</u>	<u>2</u>	<u>3</u>		
Deposits held by City:					
Demand deposits	<u>\$100,000</u>	<u>1,648,949</u>	<u>-</u>	<u>1,748,949</u>	<u>305,999</u>
Total deposits	<u>\$100,000</u>	<u>1,648,949</u>	<u>-</u>	<u>1,748,949</u>	<u>305,999</u>

Investments of cities and other state or local governments are classified in three categories to give an indication of the level of custodial risk assumed by the entity at year-end. Category 1 includes investments that are insured or registered or for which the securities are held by the City or the City's custodial agent (which must be a different institution other than the party through which the City purchased the securities) in the City's name. Investments held "in the City's name" include securities held in a separate custodial or fiduciary account and identified as owned by the City in the custodian's internal accounting records. Category 2 includes uninsured and unregistered investments for which the securities are held by the dealer's agent (or by the trust department of the dealer if the dealer was a financial institution and another department of the institution purchased the securities for the City) in the City's name. Category 3 includes uninsured and unregistered investments for which the securities are held by the dealer's agent, but not in the City's name. Category 3 also includes all securities held by the broker-dealer agent of the City (the party that purchased the securities for the City) regardless of whether or not the securities are being held in the City's name.

The City's only investment is the Local Agency Investment Fund which is not required to be categorized as described above. The City's investment in LAIF was \$6,242,090 at June 30, 2002.

CITY OF LAGUNA WOODS

Notes to Financial Statements

(Continued)

(2) Cash and Investments, (Continued)

The City is a voluntary participant in the Local Agency Investment Fund (LAIF) that is regulated by California Government Code Section 16429 under the oversight of the Treasurer of the State of California. The fair value of the City's investment in this pool is reported in the accompanying financial statements at amounts based upon the City's pro-rata share of the fair value provided by LAIF for the entire LAIF portfolio (in relation to the amortized cost of that portfolio). The balance available for withdrawal is based on the accounting records maintained by LAIF, which are recorded on an amortized cost basis. Included in LAIF's investment portfolio are collateralized mortgage obligations, mortgage-backed securities, other asset-backed securities, loans to certain state funds, and floating rate securities issued by federal agencies, government-sponsored enterprises, and corporations.

(3) Due To/From Other Funds

The following summarizes the total due to and from other funds as of June 30, 2002:

	<u>Due From Other Funds</u>	<u>Due To Other Funds</u>
General Fund	\$78,516	-
Special Revenue Fund:		
Arterial Highway Rehabilitation	<u>-</u>	<u>78,516</u>
Totals	<u>\$78,516</u>	<u>78,516</u>

(4) General Fixed Assets

A summary of changes in general fixed assets is as follows:

	<u>Balance at July 1, 2001</u>	<u>Additions</u>	<u>Deletions</u>	<u>Balance at June 30, 2002</u>
Furniture	\$34,022	-	-	34,022
Computer Equipment	20,485	-	-	20,485
Leasehold Improvements	-	576,205	-	576,205
Office Equipment	<u>6,443</u>	<u>24,098</u>	<u>-</u>	<u>30,541</u>
Totals	<u>\$60,950</u>	<u>600,303</u>	<u>-</u>	<u>661,253</u>

(5) General Long-Term Debt

Changes in general long-term debt for the year ended June 30, 2002 were as follows:

	<u>Balance at July 1, 2001</u>	<u>Additions</u>	<u>Deletions</u>	<u>Balance at June 30, 2002</u>
Compensated absences	<u>\$29,956</u>	<u>-</u>	<u>(2,484)</u>	<u>27,472</u>

(6) Fund Balances

Fund balances at June 30, 2002 consisted of the following reserves and designations:

	<u>General</u>	<u>Special Revenue</u>
Reserved for:		
Deposits	\$ 10,679	-
Contingent liabilities	<u>300,000</u>	<u>-</u>
Subtotal	<u>310,679</u>	<u>-</u>
Unreserved:		
Designated for:		
Special fund purposes	<u>-</u>	<u>2,948,667</u>
Undesignated	<u>3,631,178</u>	<u>-</u>
Total fund balances	<u>\$3,941,857</u>	<u>2,948,667</u>

(7) Fund Deficits and Other Required Disclosures

The following fund reported a deficit in fund balance as of June 30, 2002:

Special Revenue Fund:	
Arterial Highway Rehabilitation	\$98,629

The following fund had excess of expenditures over appropriations as of June 30, 2002:

	<u>Budget</u>	<u>Actual</u>	<u>Variance Favorable (Unfavorable)</u>
Traffic Congestion Relief Fund	\$ -	342,121	(342,121)
Exercise Challenge Fund	-	18,195	(18,195)
Senior Mobility Fund	-	56	(56)

CITY OF LAGUNA WOODS

Notes to Financial Statements

(Continued)

(8) Operating Leases

On May 17, 2001, the City entered into a lease agreement with California Federal Bank for the future City Hall office site. The lease term ends on December 31, 2010 with payments commencing May 23, 2001. The base rent for the first year is \$10,789 monthly with annual consumer price index increases. Total lease payments for fiscal year ended June 30, 2002 were \$128,142. Future minimum lease payments are as follows:

<u>Year ended June 30</u>	<u>California Federal Bank</u>
2003	\$128,142
2004	128,142
2005	128,142
2006	128,142
2007	128,142
Thereafter	<u>448,497</u>
Totals	<u>\$1,089,207</u>

(9) Insurance Policies

The City is a member of the California Joint Powers Insurance Authority (Authority). The Authority is composed of 89 California public entities and is organized under a joint powers agreement pursuant to California Government Code Section 6500, et. seq. The purpose of the Authority is to arrange and administer programs for the pooling of self-insured losses, to purchase excess insurance or reinsurance, and to arrange for group-purchased insurance for property and other coverages. The Authority's pool began covering claims of its members in 1978. Each member government has a representative on the Board of Directors. The Board operates through a 9-member Executive Committee.

General Liability

Each member government pays a primary deposit to cover estimated losses for a fiscal year (claims year). Six months after the close of a fiscal year, outstanding claims are valued. A retrospective deposit computation is then made for each open claims year. Costs are spread to members as follows: the first \$20,000 of each occurrence is charged directly to the city; costs from \$20,001 to \$500,000 are pooled based on a member's share of costs under \$20,000; costs from \$500,001 to \$5,000,000 are pooled based on payroll. Costs of covered claims above \$5,000,000 are currently paid by reinsurance. The protection for the City is \$50,000,000 per occurrence and \$50,000,000 annual aggregate.

CITY OF LAGUNA WOODS

Notes to Financial Statements

(Continued)

(9) Insurance Policies, (Continued)

Workers Compensation

The City also participated in the workers compensation pool administered by the Authority. Pool deposits and retrospective adjustments are valued in a manner similar to the General Liability pool. The City is charged for the first \$50,000 of each claim. Costs from \$50,001 to \$100,000 per claim are pooled based on the City's losses under its retention level. Costs between \$100,001 and \$500,000 per claim are pooled based on payroll. Costs in excess of \$500,000 are paid by excess insurance purchased by the Authority. The excess insurance provides coverage to statutory limits.

Since incorporation on March 24, 1999, the City's liability for claims payable, if any, did not significantly exceed its deposit with CJPIA and therefore no liability for claims payable has been recorded in the general long-term debt account group. In addition, since incorporation, claim payments have not exceeded the amount of applicable insurance coverage for the past three years. There have been no significant reductions in pooled or insured liability coverage from coverage in the prior year.

(10) Joint Venture

Orange County Fire Authority

In 1999, the City of Laguna Woods entered into a joint powers agreement with the Cities of Buena Park, Cypress, Dana Point, Irvine, Laguna Hills, Laguna Niguel, Lake Forest, La Palma, Los Alamitos, Placentia, San Clemente, San Juan Capistrano, Seal Beach, Stanton, Tustin, Villa Park, Westminster and Yorba Linda and the County of Orange to create the Orange County Fire Authority (Authority). The purpose of the Authority is to provide for mutual fire protection, prevention and suppression services and related and incidental services including, but not limited to, emergency medical and transport services, as well as providing facilities and personnel for such services. The effective date of formation was March 1, 1995. The Authority's governing board consists of one representative from each City and two from the County. The operations of the Authority are funded with fire fees collected by the County through the property tax roll for the unincorporated area and on behalf of all member Cities except for the Cities of Stanton, Tustin, San Clemente, Buena Park, Placentia and Seal Beach. The County pays all structural fire fees it collects to the Authority. The Cities of Stanton, Tustin, San Clemente, Buena Park, Placentia and Seal Beach are considered "cash contract Cities" and accordingly make cash contributions based on the Authority's annual budget. The City of Laguna Woods does not have an equity interest in the assets of the Orange County Fire Authority.

CITY OF LAGUNA WOODS

Notes to Financial Statements

(Continued)

(10) Joint Venture, (Continued)

Complete financial statements may be obtained from the Orange County Fire authority, 180 S. Water Street, Orange, California, 92866.

(11) Commitment

The City has a commitment with the County of Orange to make minimum payments each year to mitigate the effect of excess expenditures incurred by the County over revenues for future fiscal years as a result of the incorporation of the City of Laguna Woods. These payments equal \$405,045 per year through 2006.

(12) Defined Benefit Pension Plan

Plan Description

The City contributes to the California Public Employees Retirement System (PERS), an agent multiple-employer public employee defined benefit pension plan. PERS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. PERS acts as a common investment and administrative agent for participating public entities within the State of California. Benefit provisions and all other requirements are established by state statute and City ordinance. Copies of PERS' annual financial report may be obtained from their executive office: 400 "P" Street, Sacramento, California 95814.

Funding Policy

Participants are required to contribute 7% of their annual covered salary. The City made all of the contribution required of City employees on their behalf and for their account. The City is required to contribute at an actuarially determined rate calculated as a percentage of payroll. The current employer contributions rate for the year ended June 30, 2002 was 14.35%. The contribution requirements of plan members and the City are established and may be amended by PERS.

CITY OF LAGUNA WOODS

Notes to Financial Statements

(Continued)

(12) Defined Benefit Pension Plan, (Continued)

Annual Pension Cost

For the year ended June 30, 2002, the City's annual pension cost of \$39,154 for PERS was equal to the City's required and actual contributions. The required contribution was determined as part of the March 1, 2001 actuarial valuation using the entry age normal actuarial cost method. The actuarial assumptions included (a) 8.25% investment rate of return (net of administrative expenses), (b) projected annual salary increases that vary by duration of service, and (c) 3.75% per year cost-of-living adjustments. Both (a) and (b) included an inflation component of 3.5%. The actuarial value of PERS assets was determined using techniques that smooth the effects of short-term volatility in the market value of investments over a four-year period (smoothed market value). PERS unfunded actuarial accrued liability is being amortized as a level percentage of projected payroll on a closed basis. PERS has combined the prior service unfunded liability and the current service unfunded liability into a single initial unfunded liability. The single funding horizon for this initial unfunded liability is June 30, 2016.

SPECIAL REVENUE FUNDS

Special revenue funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditure for specific purposes.

Gas Tax Fund – to account for the operations of the street and maintenance projects of the public works department. Financing is provided by the City's share of State gasoline taxes.

Traffic Congestion Relief Fund – accounts for the receipts from the State of California that augment the annual citywide pavement program.

Measure M Fund – to account for the operations of the street and maintenance projects of the public works department. Financing is provided by the City's share of County Measure M funds.

Arterial Highway Rehabilitation Fund – accounts for the receipts and expenditures from the State of California Department of Transportation for street rehabilitation projects.

Air Quality Improvement Fund – to account for funds received from the South Coast Air Quality Management District for enacting policies to improve air quality.

California Law Enforcement Equipment Program Fund – accounts for receipts and expenditures for the purchase of safety equipment.

Supplemental Law Enforcement Services Fund – accounts for the receipts and expenditures from the State of California's Citizens Option for Public Safety (COPS) program.

Grants Fund – to account for revenues received under Federal, State and local grants.

Exercise Challenge Fund – accounts for receipts from donors and expenditures on a special event that encourages safe and healthy exercise by residents, workers and students in Laguna Woods.

Emergency Management Fund – accounts for receipts from the state and expenditures for the purchase of emergency operations equipment to be used in the event of an earthquake, terrorist attack or other emergency.

State Park Bonds Fund – accounts for receipts from the state and expenditures for the purchase and improvement of parks and open space.

Senior Mobility Fund – accounts for receipts from the Orange County Transportation Authority and expenditures for demand-responsive transportation services for seniors aged 60 and older.
