

CONSTRUCTION/DEMOLITION

MATERIALS ADVISORY

DO NOT DISPOSE OF CONSTRUCTION/DEMOLITION MATERIALS IN REGULAR WASTE CONTAINERS!

Placing construction/demolition materials in regular waste containers can cause those containers to be uncollectable and potentially result in fines and other costs.

To arrange for the collection and disposal of construction/demolition materials, please contact CR&R Incorporated at **(949) 625-6735** or **LagunaWoods-Recycles@CRRMail.com**.

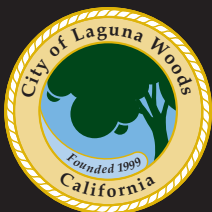

For requirements regarding self-hauling, please call City Hall at **(949) 639-0500**.

“Construction/demolition materials” include, but are not limited to, the following when generated during remodeling, additions, repairs, new building, or other similar activities:

- × Brick
- × Carpet
- × Concrete
- × Glass
- × Gravel
- × Gypsum
- × Insulation
- × Lumber
- × Masonry
- × Metal
- × Pipe
- × Plaster
- × Porcelain
- × Rock
- × Roofing
- × Sand
- × Soil
- × Tile
- × Wallboard
- × Wood

Packaging and other remnants of new materials are also considered construction/demolition material.
